Hi Jeff,

The agenda looks good. At first glance, my only suggestion would be that much of the day 3 morning agenda be moved earlier in the meeting, since it seems to contain background information that would be helpful earlier on.

I am not able to travel the week of May 9th, but would be able to participate via phone or video.

Kate

Kate and Glenn:

Phil North has developed a draft outline for the kick-off meeting in Anchorage. He suggests that this meeting take place the week of May 9th.

What is your availability during the week of May 9th?

Any comments or suggestions concerning the draft Agenda?

Jeff
